

## Northwest Optometric Clinics

**Retinal Photos** - The doctors highly recommend the retinal photo exam because of these benefits:

- Most patients can avoid having their pupils dilated with drops.
- It's fast, easy, and comfortable.
- It enables us to study the image and educate you more fully about your eye health.
- It provides a digital record of your retina that becomes part of your permanent file.
- It enables us to better monitor your eye health.

### **Retinal Exam -**

The retina is the only place in the body where blood vessels can be seen directly. This means, in addition to the eye diseases, signs of other systemic diseases can be seen in the retina. Early detection is essential for effective treatment of conditions such as:

Diabetic Retinopathy

Glaucoma

Age-related Macular Degeneration Multiple Sclerosis

High Cholesterol

Eye Cancers

High Blood Pressure

Retinal Tears

**The fee for this extended exam is only \$29**
